

NATIONAL FOOD SECURITY STRATEGY

UAE's population having access to sufficient, safe and nutritious food for an active and healthy life at affordable prices at all times

2051 VISION

World leading hub in innovation-driven food security

2021 MISSION

To champion agribusiness trade facilitation through a whole-of-nation apparatus and to ensure food security under all circumstances through enabling technology-based production and supply of food, promoting international trade partnerships, and enforcing policies and regulations to enhance nutritional intake and reduce food loss and waste.
